With One Week To Go Cards Still Have Chance To Crack National Title

WITH A LITTLE MORE than one week of regular games to be played this season the Cards in the National circuit of the Corapolis Little League still have a chance to get to the top of the league standing. The race between the Pirates, Dodgers and Cards this year has been intense with a very narrow margin separating the three teams. It will no doubt be the breaks in the game that will decide this race this season.
