Dear Mr. Heinlein:

I have been informed that you will be joining the Colonial School District in September. Since you were interviewed, Mr. William Schmidley has been named district coordinator of languages, and I have been appointed to succeed him as chairman of the language department in the senior high school.

I would like to take this opportunity to welcome you to the district and to the foreign language department of the senior high school. I am looking forward to working with you and am anxious to offer any assistance to you that I can.

The high school will be open all summer, so feel free to visit if you would like. Since I will be in the area this summer, please do not hesitate to call if a question or a problem should arise. My home phone number is 215-275-7006.

Again, let me extend to you my welcome and best wishes for a pleasant summer.

Cordially,

James J. Doyle
