Gentlemen:

We are writing this letter to request that consideration be given to a continued occupational draft deferment for Mr. Edward C. Heinlein, Jr., selective service number 36-7-48-2.

Mr. Heinlein has been employed as a teacher in the foreign language department of the Plymouth-Whitemarsh Senior High School since September 1969. He is a teacher of the German language. He is a very competent teacher and has been included in all of our instructional plans for the 1972-1973 school year.

Mr. Heinlein is a competent, experienced teacher. The loss of him as a teacher in this school would be most detrimental for the general welfare of the students to whom he has a responsibility and an obligation.

Any consideration which may be given to this request for a continued deferment will be greatly appreciated.

Sincerely yours,

Gerald G. Hottenstein
Superintendent of Schools
